Location/general information

East and West Lutton are two linear villages that sit side by side with the winterbourne stream, the Gypsy Race, running through, and surrounded by the stunning open countryside of the Yorkshire Wolds. West Lutton has a primary school and nearby Weaverthorpe, which is home to a 12th-century church, boasts two pubs, The Blue Bell Inn and The Star Inn. Some three miles away, Sledmere House Farm Shop with its popular café provide a wide range of essential groceries.

The market town of Malton lies around a 20-minute drive to the northwest and offers a wide range of independent stores and amenities, including a cottage hospital, medical and dental practices, cafés, restaurants, good schools, supermarkets, sports centres, a golf club, an arts centre, and a cinema. Malton's railway station provides connections to York's mainline station, with fast services to London Kings Cross via the East Coast Mainline.
